State Appellate Defender Office
Criminal Defense Resource Center

Josh Blanchard is a partner at Blanchard Law. From their offices in Greenville, Michigan, Josh and his colleagues focus their practice on criminal defense and police misconduct cases. As a GFCE Certified Forensic Computer Examiner and licensed professional investigator, Josh provides computer forensics consulting and expert witness services to other lawyers. Josh is a graduate of the Trial Lawyers College and is a member of NACDL and CDAM. He has tried jury trials in 24 of Michigan's 83 counties. He served as a director of CDAM from 2011 through 2020 and is the past-Chair of the Criminal Law Section of the State Bar of Michigan.

Digital Discovery: Managing Computers, Cell Phones, and Location Data in Criminal Cases

Electronic evidence is becoming a larger part of criminal defense. In this training, Josh will discuss some tools to manage and process large batches of discovery, how to effectively use expert witnesses in a focused manner to develop your defense, and what kinds of data are available from cell phones and computers to help defend your clients. He will also answer case-specific questions from attendees.
