

# Digital Literacy Workshop

in partnership with **The Friends U Need**

Join SADO's Project Reentry for our March workshop presented by The Friends U Need (FUN)'s Demarco Hawkins.

Technology is constantly evolving, and digital literacy is critically important upon returning to the community. This session will both highlight the importance of digital literacy for returning citizens and provide practical examples for navigating technology including computers, phones, and other devices.

All are welcome. Light snacks will be provided.
