

Work Smarter: AI for Life After Release

Technology is changing fast, and AI is a big part of it. At this hands-on session, we'll discuss how AI can be used in work and life while making sure you're protecting yourself, your information, and making the most of your resources.

We'll walk through practical examples, answer questions, and navigate these tools together.

Monday, April 27, 2026

from 6:00 to 7:30 pm (doors lock promptly at 6:00)

at SADO Detroit

3031 W. Grand Blvd. #450

Detroit, MI 48202
